HBIF Seeks Professional Services Consultants

HBIF Recruiting for Its Network of Professional Technical Assistance Providers

MIAMI, FL (July 16, 2012) – The Hispanic Business Initiative Fund of Florida is looking for attorneys, accountants, graphic designers, marketers and business consultants in South Florida to join its team of contracted professional providers.

“While we help Hispanic entrepreneurs for free, we pay a market-competitive fee to businesses that help us provide quality development services to our clients beyond our in-house counseling and educational workshops,” said Myrna Sonora, Vice President for South Florida for HBIF. “This is a great business opportunity for South Florida companies to become providers of our outsourced professional services grants.”

HBIF helps Hispanic entrepreneurs reach their business goals by awarding grants to clients for specific services such as legal structure assessment, accounting assessment, marketing plan development, web site development, business plan development and more. HBIF outsources these services to a network of professional services providers or consultants. Consultants are preferably fully bilingual in English and Spanish.

For more detailed information or to apply to be considered, please call (305) 577-5468 or send an e-mail to jalvarez@hbifflorida.org.
